

24 June 2021. For immediate release.

BrightView Health acquires The Aspire Treatment & Recovery Center of Virginia, an Addiction Treatment facility in Chesapeake, Virginia.

Chesapeake, Virginia

BrightView, a comprehensive outpatient addiction treatment provider with 39 locations throughout Ohio, Kentucky, and Delaware, has acquired the Aspire Treatment & Recovery Center of Virginia, Inc. of Chesapeake, Virginia. By joining BrightView, Aspire will be able to expand its services and continue to provide the best patient experiences and life-saving care to those afflicted with addiction.

Shane August, Program Sponsor of the Aspire Treatment & Recovery Center of Virginia stated: "The acquisition is win-win for all parties involved but the true winners are members of the Hampton Roads community". Between Brightview and Aspire, there is a high level of commitment to quality treatment and patient care and members of the community will benefit the most from this. We are excited!"

There are many synergies between the models of care used by Aspire and BrightView, so patients should continue to expect high quality care. Both programs are focused on treating the disease of addiction through biological, psychological, and social means. All treatment programs are personalized to each patient's specific needs.

Dr. Shawn Ryan, Chief Medical Officer and co-founder of BrightView, stated: "Aspire has had a profound impact on the lives of many patients and their families, and we are excited to build on their patient-first mentality and dedication to quality care. We understand the delicate nature of recovery, and we are committed to ensuring a smooth transition for each patient, staff member, and community partner. The team at BrightView is looking forward to bringing our expertise and leadership in the field to Aspire so we can all serve more patients in the region."

About Aspire Treatment & Recovery Center of Virginia, Inc.

A wholly owned subsidiary of the August Holding Corporation, The Aspire Treatment & Recovery Center of Virginia, serves as a minority owned outpatient Opioid Treatment facility that provides addiction recovery services to individuals who are afflicted with various substance abuse disorders. The Aspire Treatment & Recovery Center of Virginia is licensed and regulated by the Virginia Department of Behavioral Health & Developmental Services (VDBHDS).

About BrightView

BrightView provides outpatient treatment in Ohio, Kentucky, Delaware, and Virginia for substance use disorder (SUD). The organization's effective treatment approach includes medication assisted treatment (MAT), individual counseling, group therapy, social service support, as well as work on co-occurring disorders. Locations are generally able to dispense medication on-site, which makes treatment easy and convenient for patients. The treatment plan works seamlessly with daily life commitments.

BrightView's compassionate and professional staff create an accessible and welcoming environment for both physical and emotional healing. BrightView is about respect for each patient, positive reinforcement, and long-term wellness.
